January, 2003

Dear Neighbor:

The 2003 legislative session has begun, and I want to touch base with you as I head up to Indianapolis for this year's long session.

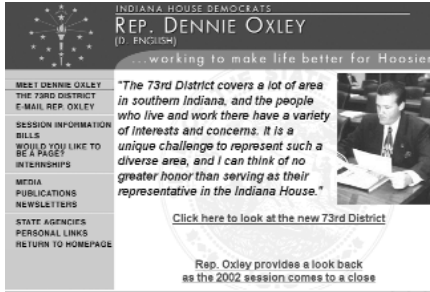

As you may know, the Indiana House of Representatives elected a new Speaker in November and along with his election came some new leadership appointments. I was honored to accept the position of Majority Whip, which requires me to help Speaker B. Patrick Bauer and the rest of our leadership determine where our caucus stands on important legislative matters. A caucus of 51 Democrats represents a vast array of different viewpoints, and I am honored that the speaker believes I am the person that can help mold those viewpoints into a unified voice.

With my appreciation for this wonderful opportunity, however, comes a greater responsibility to you. In the coming weeks and months, I will be in a position to help our speaker create sound public policy. Your input will be invaluable to me as I attempt to do that- both for the state in general and our district specifically.

The job at hand is an enormous one, but with your help, I hope to provide reasonable solutions to the significant concerns that we as Indiana taxpayers face. As always, thank you for the opportunity to serve you, and please let me know if there is anything that I can do for you or your family. Best wishes for the new year.

Sincerely,
